

# Inequality and Family Time

Giacomo Vagni

TUS Workshop - Tampere, Finland

2016-11-29

# Aim

- Explore family time inequalities *over time*
  - ▶ Estimate total family time
  - ▶ Describe how family activities differ by class
  - ▶ How change over time

- Family of origin → play important part in the reproduction of inequalities (Cohen, 2015; Cherlin, 2002; McLanahan, 2004; Lareau 2011; Bourdieu, 1984; ...)
- ...
